

Says

Deadlines are confusing

I need to check my grades quickly

Why is everything in different places?

Notifications don't reach me on time

I wish I could submit assignments online

I forget when exams are

Thinks

I might miss an important update

There should be one simple system

I hope my assignments are graded fairly

I need reminders for tasks and deadlines

It's hard to organize all my courses

Checks WhatsApp groups and emails

Asks classmates about assignments

Checks university portal for schedules

Uses multiple platforms (Google Classroom, Moodle, WhatsApp)

Keeps notes on phone or notebook

Tries to track grades manually

Stressed before deadlines

Frustrated with multiple platforms

Overwhelmed with task management

Worried about GPA

Confused when announcements are late
